

Ucha's Services Inc

Non-Emergency Medical Transportation (NEMT)

Ucha's Services Inc

About us

Ucha's Services Inc provides Non-Emergency Medical Transportation (NEMT), essential for individuals needing assistance reaching medical appointments but not in emergency situations. We offer tailored transportation and interpretation services for the Spanish-speaking community, ensuring safe and reliable access to healthcare for all.

Our services

Non-Emergency medical transportation

We are proud to provide the safest and most comfortable non-emergency medical transportation in Central Florida.

We also offer long-distance non-emergency medical transportation if you need to travel 150 miles or more.

Doctor appointment transportation Elderly transportation

We offer door-through-door service. All of our drivers are certified in elderly patient sensitivity.

Long term treatment, such as Dialysis or chemo

If you have a regular treatment schedule, we will work with you to arrange your regular transportation to your ongoing treatment

Wheelchair and Handicap transportation

Our advanced vehicles and equipment grant easy and comfortable loading and unloading for handicap patients of all ages.

Ucha's Services Inc

Interpreters Translation services

Our professional translators are native speakers of the language requested and recognized experts in their subject areas.

They are rigorously tested and evaluated by our sourcing panel and have been entrusted by industry leaders to translate for them, conveying their message consistently to both internal and external audiences.

Transport Team

Transport Team

Your transport team will secure you in the vehicle, and deliver you not just to the door of your destination, but all the way inside.

We don't leave until you're comfortably situated in the waiting room and checked in, or in your own home, or wherever your destination is.

Our transporters are all drug, alcohol and smoke-free, rigorously trained in safety, defensive driving, HIPAA, patient sensitivity, CPR, AED, First aid and situation-response.
